Memorandum**Revised guidelines on publication of Notice Inviting Tender (NIT)**

It has been observed that the Departments are publishing their Notices Inviting Tender (NIT) in 5 local newspapers and 2 national newspapers which is unnecessary and it involves huge cost. In this regard, the undersigned is directed to inform that in case of newspaper publication, it may suffice if the Departments publish NIT in 3 local daily newspapers only. However, for cost of goods/service/work amounting Rs.25.00 Crore and above, press publication may be done in 1 national newspaper in addition to local newspapers.

2. The undersigned is directed to inform that while publishing the NIT in newspapers (Local), the content may be limited to one or two small sentences as the details of entire content of the NIT will be available on the statutory web portals, as per instructions of the Government. This initiative is likely to reduce the cost of publishing NITs considerably in due course of time.

3. It has also been seen that some Departments do not publish/upload their NITs on the statutory portals of the Government i.e. www.tripuratenders.gov.in (in case of e-tenders and e-bidding) and www.eprocure.gov.in (for web publication). Therefore, the undersigned is directed to inform that the e-bidding and web publication of NIT on the above-mentioned Government portals should mandatorily be done to ensure wide publicity and transparency as per extant financial rules and those Departments & Government Entities, who have not yet registered themselves on www.tripuratenders.gov.in and www.eprocure.gov.in for the purpose, should get themselves registered on the above-mentioned web portals without any further delay with the help of State NIC (contact person: Shri A. K. Dey, ASIO, NIC, Tripura State Centre) by filling up necessary forms.

These guidelines should come into force with immediate effect.
